## Czech University of Life Sciences Prague

| [czu.cz/en](http://czu.cz/en)

CZU is one of the leading European institutions in the field of life sciences. Situated on a beautifully landscaped campus, the university is also a place of innovative scientific research and discovery.

**Lubomír Majerník**, *Internationalization Specialist*,  
[majernikl@rektorat.czu.cz](mailto:majernikl@rektorat.czu.cz)

## Institute of Technology and Business in České Budějovice

| [vstecb.cz/en](http://vstecb.cz/en)

ITB is a dynamically developing higher education institution, offering practice-focused degree programmes. It endeavours to achieve maximal cooperation with the regional business entities and institutions.

**Alžběta Troupová**, *International Relations Coordinator*,  
*Institutional Coordinator Erasmus+*, [troupova@mail.vstecb.cz](mailto:troupova@mail.vstecb.cz)

## Jan Evangelista Purkyně University in Ústí nad Labem

| [ujep.cz/en](http://ujep.cz/en)

UJEP is a young and dynamically developing university. It offers a variety of study programmes, ranging from human, social-economic and natural sciences to technical sciences. Linking the studies with practice is seen as the priority of all faculties.

**Gabriela Krečová**, *Head of External Relations Department*,  
*Erasmus+ Institutional Coordinator*, [gabriela.krecova@ujep.cz](mailto:gabriela.krecova@ujep.cz)

## Masaryk University

| [muni.cz/en](http://muni.cz/en)

MU, with over 33,000 students and 10 faculties, is currently the second-largest Czech university. Founded in 1919, the university has steadily grown to become a leading institution in Central Europe, offering a diverse range of programmes and contributing significantly to research and education.

**Violeta Osouchová**, *Director of the Centre for International Cooperation*,  
[osouchova@czs.muni.cz](mailto:osouchova@czs.muni.cz)

## Mendel University in Brno

| [mendelu.cz/en/](http://mendelu.cz/en/)

The university offers many highly specialized fields of study in the fields of agriculture, forestry, horticulture and economics. Its friendly campus includes a large botanical garden and an arboretum.

**Tereza Šmídová**, *International Partnerships Coordinator*,  
[tereza.smidova@mendelu.cz](mailto:tereza.smidova@mendelu.cz)

## NEWTON University

| [newton.university/en](http://newton.university/en)

The university focuses on modern education for management psychology and economics. Studies combine theoretical lectures, practical workshops, managerial training and internships in renowned companies.

**Athenais Surreau**, *Head of International Relations Office*,  
[athenais.surreau@newton.university](mailto:athenais.surreau@newton.university)

## Palacký University Olomouc

| [upol.cz/en/](http://upol.cz/en/)

UPOL is a renowned centre of teaching and research, covering fields from medicine to languages, philosophy, teacher training, sciences, law, sports and theology. Key research activities are directed toward biomedicine, biotechnology and nanomaterials.

**Tereza Kalousková**, *Head of the Office for Partnerships*,  
[tereza.kalouskova@upol.cz](mailto:tereza.kalouskova@upol.cz)

## Prague University of Economics and Business

| [vse.cz/english/](http://vse.cz/english/)

With a broad portfolio of bachelor, master, PhD and MBA study programmes, Prague University of Economics and Business (VSE) is the biggest public university in the subject area in Czechia. VSE has a variety of accreditations, such as EQUIS and AACSB and has been ranked by The Financial Times and at the very top of the Eduniversal Ranking in Central and Eastern Europe. With over 250 partner universities worldwide and international organization memberships, such as CEMS and PIM, VSE is a successful international player. The VSE student population is 15,000, guided by 600+ lecturers from academia and business. VSE provides a high quality environment and numerous facilities for its students and employees.

**Eva Kovářová**, *International Office Coordinator*, [ozs@vse.cz](mailto:ozs@vse.cz)

## Silesian University in Opava

| [slu.cz/slu/en](http://slu.cz/slu/en)

SU is a modern institution that provides a range of both professionally and academically oriented courses in the fields of mathematics, physics, history, literature, languages, economy, pedagogy, health care, public administration and arts.

**Radmila Unucková**, *Erasmus Coordinator*, [unuckova@opf.slu.cz](mailto:unuckova@opf.slu.cz)

## Technical University of Liberec

| [tul.cz/en](http://tul.cz/en)

TUL educates future economists, teachers and architects. It has also a tradition of research in close cooperation with the automotive and textile industries, e.g. the unique discovery of industrial manufacturing technology of nano-textiles.

**Michaela Andělová**, *Erasmus+ Institutional Coordinator*,  
[michaela.andelova@tul.cz](mailto:michaela.andelova@tul.cz)

## Tomas Bata University in Zlín

| [international.utb.cz](http://international.utb.cz)

TBU is an open and flexible university, developed in accordance with five values: entrepreneurship, openness, usefulness, creativity and responsibility. It has a high graduation rate and employability and plays an active role in the development of local industries.

**Pavel Býček**, *Head of the International Office*, [international@utb.cz](mailto:international@utb.cz)

## University of Hradec Králové

| [uhk.cz/en](http://uhk.cz/en)

UHK is a university with a dynamic and youthful environment that provides high-quality education within a large scope of study fields such as economics, social sciences, humanities, educational studies, natural sciences and ICT.

**Lenka Badinská**, *Head of International Relations Office*,  
[lenka.badinska@uhk.cz](mailto:lenka.badinska@uhk.cz)

## University of Chemistry and Technology, Prague

| [study.vscht.cz](http://study.vscht.cz)

UCT Prague represents a melting pot where scientific discovery meets a friendly study environment with a highly valued personal approach. It is a first-rate study and research facility in the fields of chemistry, chemical engineering and technology, material, environmental and life sciences.

**Filip Faltejsek**, *Head of Department of International Relations*,  
[international@vscht.cz](mailto:international@vscht.cz)

## University of Ostrava

| [osu.eu](http://osu.eu)

UO offers high quality education in the humanities, social and natural sciences, medicine, pedagogy and fine arts. Its small size allows for an individual approach to the students and flexible reactions to the needs of the labour market.

**Monika Šmídlová**, *International Partnerships Coordinator*,  
[monika.smidlova@osu.cz](mailto:monika.smidlova@osu.cz)

## University of Pardubice

| [upce.cz/en](http://upce.cz/en)

The university is a welcoming place where a modern vibe meets 70 years of tradition. Future chemists and economists, philosophers and historians, transport experts, engineers and computer scientists, and restorers study here.

**Věra Albrechtová**, *Head of International Office*,  
[vera.albrechtova@upce.cz](mailto:vera.albrechtova@upce.cz)

## University of South Bohemia in České Budějovice

| [jcu.cz/en](http://jcu.cz/en)

USB is a modern public university with around 9,000 students across 8 faculties, offering over 200 programmes. Known for its high-quality education and research, USB excels in Humanities and Arts, Social and Natural Sciences. The university ranks highly in international rankings. The campus features state-of-the-art facilities and is located in the beautiful South Bohemian region. USB collaborates with over 450 universities worldwide, making it an attractive destination for international students.

**Magdaléna Smržová**, *International Relations Officer*,  
[international@jcu.cz](mailto:international@jcu.cz)

## University of West Bohemia

| [zcu.cz/en](http://zcu.cz/en)

At the UWB you will find more than 130 study programmes focused on technology, humanities, arts/sciences, economics and health studies. UWB also focuses on research and has 3 Research Centres.

**Magdalena Rousová**, *Head of the International Office*,  
[rousovam@rek.zcu.cz](mailto:rousovam@rek.zcu.cz)

## VSB - Technical University of Ostrava

| [vsb.cz/en](http://vsb.cz/en)

VSB-TUO has been connecting technical, economic, natural sciences and artistic disciplines in modern study programmes for more than 170 years responding to the real problems of the present. The key areas of research are energy and high-performance computing.

**Monika Maňáková**, *Erasmus+ Institutional Coordinator*,  
[monika.manakova@vsb.cz](mailto:monika.manakova@vsb.cz)

# CZECH HIGHER EDUCATION INSTITUTIONS at EAIE 2024

## Academy of Performing Arts in Prague

| [amu.cz/en](http://amu.cz/en)

The Academy is the largest Czech university-level school of drama, film, TV, multi-media, music, and dance studies. Thanks to its broad artistic scope, it is a unique school in the Central European space.

**Klára Banotová**, *International Office Coordinator*,  
[klara.banotova@amu.cz](mailto:klara.banotova@amu.cz)

## Anglo-American University

| [auni.edu](http://auni.edu)

AAU prides itself on providing personalized and distinctive university education in the English language. It educates future leaders and global citizens in a multicultural setting of students from over 70 different countries.

**Beáta Tomečková**, *Study Abroad Coordinator*,  
[beata.tomeckova@aauni.edu](mailto:beata.tomeckova@aauni.edu)

## Brno University of Technology

| [vut.cz/en/](http://vut.cz/en/)

With its excellent research outcomes, international recognition, and over 100-year tradition, BUT is one of the leading technical teaching and research universities in central Europe. Its programmes cover engineering, natural science, arts, IT, and economics.

**Martin Očko**, *Manager for International Cooperation*,  
[martin.ocko@vut.cz](mailto:martin.ocko@vut.cz)

## Charles University

| [cuni.cz](http://cuni.cz)

Charles University, founded in 1348, is the oldest university in central Europe. CU has 17 faculties, with more than 800 accredited degree programmes. Ranking among the top 2 % of universities worldwide, the University achieved results putting it on par with the world's most prestigious academic and research institutions. With over 50 000 students from 130 countries, it is the biggest University in Czechia. As a public institution, it also adheres to the responsibility for the development of the society and environment that surrounds it.

**Sylvie Boumová**, *Director of International Relations Office*,  
[sylvie.boumova@ruk.cuni.cz](mailto:sylvie.boumova@ruk.cuni.cz)

## Czech Technical University in Prague

| [cvut.cz/en](http://cvut.cz/en)

CTU in Prague is one of the oldest technical universities in the world. It offers opportunities for engineers in civil, mechanical, electrical and biomedical engineering, transportation sciences, nuclear sciences and physical engineering, information technology and also for architects.

**Oleg Fetisov**, *Head of the International Office*,  
[oleg.fetisov@cvut.cz](mailto:oleg.fetisov@cvut.cz)
